Plant Wide Use of the Final Historical Release Report

J. M. Kersh, Associate General Manager
Environmental and Waste Management
EG&G Rocky Flats, Inc.

This memorandum is to notify EG&G that all EG&G personnel are to replace the "Solid Waste Management Unit (SWMU) Bible - 3004U Report/SWMU Descriptions and Updates" with the recently released Final Historical Release Report (HRR). The Final HRR is an updated version of the old SWMU Bible that includes expanded descriptions, definitive IHSS locations, and other areas of potential concern.

If you should have any questions regarding the HRR, please contact Rich Schassburger of my staff on extension 4888.
